**Brenda Robison**  
Nurse Anesthetist

Dear Ms. Robison,

I am applying to become a Nurse Anesthetist. I am confident that I am an excellent fit for this position. My education, attitude, and experience all together make me a considerable candidate for your Nurse Anesthetist opening.

Nursing has always been a career interest of mine. With all the different varieties of nursing fields, becoming a Nurse Anesthetist has peaked my interest. Everyday, countless life saving surgeries occur. Being able to be a nurse and help in the process of these surgeries via anesthesia would be a position greatly worth working towards. Knowing that I would be a part of helping people successfully make it through surgery as painless as possible would send me home at the end of the day with a filled heart. This position is something I would work hard for all of my life.

I am certain I am well qualified for this position and my academic achievements reflect this. During my years at Ripon High School, I achieved a 3.5 GPA and I strive to keep this or exceed it as my high school years continue.

Throughout my years I have had many experiences that are helpful and relevant to this field. As an Eagle Scout of the Boy Scouts of America, I have received merit badges for emergency preparedness, first aid, CPR, life-saving, medicine, and disability awareness. All of these are skills that could be utilized as a Nurse Anesthetist. I am in my high school's leadership program which has taught me valuable skills on how to be a leader.

I am very passionate about this position and feel it is a job that well suits me. My education, experience, and personality all reflect my qualifications for this job. Thank you for considering me to be a Nurse Anesthetist

Sincerely,

**Gideon Waters**
